

THE DIRECTOR OF CENTRAL INTELLIGENCE

WASHINGTON, D. C. 20505

Office of the Director

8 February 1972

MEMORANDUM FOR: Members, NSCIC Working Group

SUBJECT: Minutes of the 4 February Meeting

1. Attached are copies of the minutes of the Working Group meeting held at 1430 hours, Friday, 4 February, in the DCI Conference Room at CIA Headquarters. Rather than describe the discussion in the sequence in which it took place, I felt it would be of more value to describe the action projects which were approved and then make brief mention of the action which was taken on each of the other proposed projects on the agenda.

2. Since the meeting I have been advised by Andy Marshall that it is quite possible there will be a meeting of the NSCIC within the coming week. I will advise you if I get anything firm on this.
